CUT, COLOR AND COPY AWARD

As the first semester comes to an end, the Cut Color and Copy (CCC) Chairmen would like to thank our dedicated staff for all their hard work. We have 28 volunteers who have logged over 360 hours in the workroom assisting the teachers in preparing classroom materials and crafts for our students. One volunteer has stood out above the rest. **Jutta van Delden** has worked over 60 hours and is the winner of our first Risograph award. If you see her, thank her for her hard work and dedication.

If you have a few extra minutes, the CCC can always use your help. Volunteers can work in the morning or afternoon, weekly, bi-weekly or monthly. Please call Ruth Ann Thompson at 216-7574 or Amy Decker at 285-5665, if you have any questions or would like to volunteer.

ARTIST TY KELLY VISITS 3RD GRADERS

Ty Kelly, a local artist from Yukon, visited our school on Thursday, January 19. He spent the day with our 3rd graders to introduce the children to art techniques, to help them understand the role that art plays in our world, and to give them a perspective on what it is like to make a career in art.

Ty gave a short talk to the kids, showed them some of his original artwork, and then led an art project focused on color using pastels and charcoal paper. Each child produced his own masterpiece under Mr. Kelly's direction. Mr. Kelly was a great speaker and teacher, and the kids enjoyed their time with him. It was a great day!

Mr. Kelly's visit was sponsored by the Pots Meet the Masters program.

You can view Mr. Kelly's art and learn more about him by visiting www.tykelly.com

Let the Good Times Roll!

Thanks to all who Rock and Rolled the Day away with your friends at the Rockin' Roller Rink!

We had 206 friends and made \$500.

We appreciate all the families who participated and look forward to another fun filled activity soon.
